FRANCHISE OPPORTUNITY

WE ARE A 100% HALAL EXPERIENCE THAT TOPS ALL OTHERS!

Created by Imtiaz Bhalloo, Toppings is the culmination of creative vision, tried-and-true recipes, and systems that work! We wanted to give hungry customers a delicious menu of burgers, pizza, wings, shakes, and sides that were crave-worthy and 100% Halal.

Our goal is to share our proven model and delicious food through franchising. We understand how to differentiate ourselves from other restaurants, existing within a unique niche, while also staying relevant to every generation, every taste preference, and every income level!
